

2008 Saint Luke's Hospice Ornament

Crafted by local artist Wendy Dedke, the 2008 Saint Luke's Hospice collectable ornament features:

Ceramic mother of pearl bells.

For A \$20.00 donation toward Hospice services, you can choose from four different styles of cherubs, or collect all four for a \$75.00 donation!

This is a great way to honor a loved one. Display these cherubs in remembrance of those who have gone before us. These donations allow Saint Luke's Hospice to provide comfort, support, and relief to terminally ill individuals and their families.
