

# Saint Luke's Dermatology and Plastic Surgery Group

Saint Luke's Health System is proud to announce the formation of **Saint Luke's Dermatology and Plastic Surgery Group**. The combined practice offers Mohs Micrographic Surgical (MMS) procedures and provides comprehensive dermatological care including, but not limited to, melanoma, malignant disease, and total body skin assessment. Other treated conditions include eczema, psoriasis, rosacea, adult and adolescent acne, warts, and blistering diseases. The practice also offers cosmetic dermatology including laser hair removal, IPL, Botox, chemical peels, microdermabrasion, and fillers.

*The following physicians are available for your referrals or consultations.*

## *Dermatology and Dermatopathology*

Scott Ravis, M.D., specializes in medical, surgical, and cosmetic dermatology, as well as dermatopathology. He attended pharmacy school and medical school at the University of Kansas. Dr. Ravis completed a residency at the University of Miami School of Medicine, Department of Dermatology and Cutaneous Surgery, in Florida before finishing his dermatopathology fellowship at

Indiana University Medical Center in Indianapolis. Dr. Ravis is board certified in both dermatology and dermatopathology and is accepting new patients.

Meggan Newland, M.D., specializes in medical, surgical, and cosmetic dermatology. Dr. Newland attended medical school at the University of Miami School of Medicine in Florida. She completed her residency at the University of Miami School of Medicine Department of Dermatology and

Cutaneous Surgery where she was chief resident during her final year. Dr. Newland is board certified and is accepting new patients.

## *Plastic and Reconstructive Surgery*

Satish Ponnuru, M.D., specializes in plastic and reconstructive surgery. He attended medical school at the University of Kansas. He then completed his residency at the University of Kansas-Wichita and the University of Kansas Medical Center. His primary surgical interests include body contouring and reconstruction including blepharoplasty, rhinoplasty, and breast reconstruction, reduction, and augmentation. He also specializes in the correction of burns, skin wounds, lesions and congenital defects. Dr. Ponnuru is accepting new patients.

The practice is located at 4320 Wornall Road, Suite 513, in Medical Plaza I. For more information, or to schedule an appointment, call (816) 932-4500.
