

*It's time to get ready...  
Let us help you!*

Congratulations on becoming a Parent-To-Be!

We are pleased you chose Saint Luke's Health System for the birth of your baby. Our goal is that you have a personalized and satisfying birth experience. We suggest you call 6-8 weeks before your due date to set up an appointment with one of our Maternity Care Coordinators.

The care coordinator will be able to help you:

- Assess your needs and expectations
- Become familiar with what to expect during your hospital stay before the day arrives
- Complete hospital consent forms and paperwork prior to admission
- Answer questions and find information or other resources that might help you

We look forward to meeting with you and assisting you to plan your care. To schedule your appointment please call:
