

Dear Applicant:

I welcome your interest in Saint Luke's Hospital Program in Clinical Laboratory Science. These links contain information and all application materials for the Program. Applications cannot be submitted online; forms should be printed and filled out manually. Read all materials and instructions carefully. ***Applications that do not conform to instructions will not be considered for admission.***

Please submit your application with all requested supporting documents:

- Completed Application for Admission
- Completed Science GPA Assessment Form
- Signed Statement of Understanding and Waiver of Access
- Current college/university transcript, issued to student

Applications should be mailed to:

Jane M. Rachel, CLS Program Director
Department of Pathology
Saint Luke's Hospital
4401 Wornall Road
Kansas City, Missouri 64111

Classes begin each July and end the following June. Applications must be postmarked by October 1 of the year preceding the year class will begin. Selected applicants will be invited to interview with our Admissions Committee. All applicants will be notified of their status with the Program on or before November 1.

As a final note, I encourage you to complete your application carefully, thoughtfully, and with attention to detail, as this will constitute our first impression of you and your potential as a Clinical Laboratory Scientist. We welcome your interest in the profession as you begin your path toward an exciting and rewarding career.

Jane M. Rachel, MT(ASCP), MA
Director of Education and Scientific Development
Department of Pathology

The SLH CLS Program is accredited through 2014 by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS): 8410 W. Bryn Mawr Avenue, Suite 670, Chicago, Illinois, (773) 714-8880.
