

***Program in Clinical Laboratory Science
Application for Admission***

Name _____

Address _____

City and State _____ Zip _____

Telephone(s) _____

e-mail _____

I am making application for the class beginning in July _____ (year)

Record of Education

Institution Name and Location	Years of Attendance	Degree Earned

Activities, Honors, Awards

List organizations, activities, awards, scholarships, honors and other information pertinent to your leadership, scholarship and teamwork abilities and accomplishments. Attach a separate sheet if necessary.

Year	Description

Academic References

Provide names, complete mailing and e-mail addresses, and telephone numbers for two academic references who are willing and able to discuss your academic skills and abilities with regard to lecture and laboratory coursework.

Reference 1	Reference 2
Name	Name
College/University	College/University
Address	Address
Telephone	Telephone
E-mail	E-mail
Program use only, leave blank	Program use only, leave blank

Standardized Testing

Please provide ACT and/or SAT test scores; if available, send a photocopy of scores.

ACT	SAT
Month/Year:	Month/Year:
Composite:	Composite:
Science:	Verbal:
Math:	Quant:

Academic Coursework: Current and Planned

List current and planned coursework not shown on your transcript that will be completed before you begin clinical studies in the Program.

Course	Credit Hrs	Sem/Yr

Grade Point Average

Use the Science GPA Assessment Form to calculate your science GPA and enter it below. Enter your overall GPA as listed on your most recent transcript. Include an unofficial transcript with your application materials.

Overall GPA _____

Science GPA _____

Record of Employment and References

Provide information about jobs you held while in college or since completing your academic degree. Begin with your current or most recent job.

Position and Brief Description	Dates of Employment	Employer Name and Location (city, state)

Do you know anyone who is a Clinical Laboratory Scientist? If yes, who?

Do you know any current students or graduates of our Program? If yes, who?

Are you a United States citizen? _____

Personal Statement

Provide a handwritten response to the question:

Why have you chosen a career in Clinical Laboratory Science?

A large, empty rectangular box with a black border, intended for a handwritten response to the question above. The box is currently blank.
