RE: Preliminary request for Appointment to the Medical Staff within the Saint Luke's Health System

Dear Doctor

Thank you for your interest in joining a medical staff of one or more of the hospitals within the Saint Luke's Health System (SLHS).

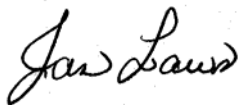

In order to provide an "Application for Appointment to the Medical Staff" we need to gather a few items of information from you. Please complete the attached document and return it to us as soon as possible. It is imperative that a copy of your current Curriculum Vitae accompany this form when you return it. You may fax, e-mail, or mail these to the SLHS Centralized Verification Office (CVO).

The CVO will obtain a review of the information you provide and seek authorization to send you an Application for Appointment. The review is intended to determine membership eligibility based on criteria established in the Medical Staff Bylaws of the applicable SLHS hospital(s). Please be aware that the credentials verification, privileging, and appointment process generally requires 120 days to complete.

Please feel free to contact the Centralized Verification Office if you have any questions or concerns regarding this letter. We can be reached by phone (816-932-3293), by fax (816-932-5689), by e-mail (CVO@saint-lukes.org), or by mail (4401 Wornall Road; Kansas City, MO 64111).

Again, thank you for your interest in the Saint Luke's Health System hospital(s).

Sincerely,

Jan Laws, Manager
Saint Luke's Health System
Centralized Verification Office
