

Nov. 9, 2006

Dear Colleague,

We would like to encourage you to consider participation in *Saint Luke's Care*. This innovative organization will equip you with state of the art services and resources to assist you in the pursuit of practicing evidence based medicine. The information in this folder offers a brief overview of opportunities available to *Saint Luke's Care* members.

Saint Luke's Care is created by physicians and other health care professionals who select the highest standards of care for their patients. This organization is dedicated to the realization of clinical excellence through clinical guidelines, diagnosis and treatment algorithms, order sets and outcome studies developed by the *Saint Luke's Care* physician-led Best Practice Teams.

Again, please accept our invitation to participate in this innovative and proactive organization. You'll find an application for *Saint Luke's Care* participation directly behind this letter. Please take time to familiarize yourself of the opportunities accessible to you and your staff. The administrative staff of *Saint Luke's Care* (816-932-1599) is always readily available to answer any questions or to guide you through the initial phases of participation.

Sincerely,

Mark Bernhardt, M.D.
