

“My sister’s CarePages

Web site kept us all

connected, and

when we didn’t know

what to do or say,

there was a resource

at CarePages

to help us.”

-Mary

Stay connected with loved ones
during an illness or hospital stay
with free, patient Web pages

“It cheered me up so much to know I was in others’ thoughts and prayers. Friends come in and out of our lives, and they were all brought together to me at a critical time in my life.”

-Jean

Are you or a loved one facing a health challenge?

CarePages can help.

Saint Luke's Health System is pleased to provide CarePages Web sites as a free benefit to families and their loved ones.

Through free, personalized CarePages Web sites, members can relate their stories, post photos, and update friends and family instantly. In turn, people who care can send messages of love and encouragement. Our mission is simple: to ensure that no one goes through a health challenge alone.

To create a CarePages Web site, visit saintlukeshealthsystem.org (search word “CarePages”).
