How to Use eAccount Manager

To securely access your account you will need:

- the **Social Security Number** of the person responsible for your account (usually the insurance subscriber) and
- your **Account Number** (This six digit number is located above your name on the receipt given to you as you leave the office.)

1. Go to www.saintlukeshealthsystem.org
2. Select **New User?** from the purple bar to the left
3. Select **Patient** and press **Next**
4. Create your account by filling the **User Name** and **Password** boxes provided, and selecting **Create**. REMEMBER this information—it is the "key" to accessing your account in the future
5. Select **eAccount Manager** from the purple bar to the left. Your profile will be displayed—please fill in the information as requested. The minimum information necessary to access your account is: First Name, Last Name, Guarantor SSN, Account Number and e-mail Address
6. Press **One**
7. Select your Physician Practice from the list by double-clicking
8. eAccount Manager will open
9. You can click through several pages of information including:
 - Online Account Home
 - My Account (where your account information resides)
 - Resources
 - Billing Policies
 - Frequently Asked Questions
 - Contact Us (w/ Billing Questions)
 - Exit and select another account
