Our partnership with Blue Cross and Blue Shield of Kansas City (Blue KC) helps provide our employees with coverage choices that best fit their lifestyles, family needs, and financial responsibilities.

And we are dedicated to providing benefits and health enhancement programs to help you *Find Your Balance* for your physical, emotional, financial, and spiritual health.

To truly live our vision of being “The best place to get care; the best place to give care,” Saint Luke’s knows we need employees who are valued, recognized, supported, and compensated fairly for the quality work they do.

HEALTH PLAN BENEFITS AT A GLANCE

Eligibility: 40 scheduled hours per pay period.

Effective: For the medical benefits: the first of the month after the employee’s date of hire. For all other benefit plans: the first of the month after completing 90 days of employment.

Choose from two medical plan options: the SLHS Signature Medical Plan and the Blue KC High Deductible Health Plan (HDHP) with a health savings account (HSA) attached. Both plans offer special pricing benefits when you and your family use Saint Luke’s facilities when medical care is required, and both plans provide 100 percent coverage of in-network preventive care exams.

Benefit Options

Non-Network: Any physician or health care facility that is not part of the Blue KC “Preferred Care Blue or Blue Card PPO/EPO Network” is considered out of network and will not be covered by the SLHS medical plans, except in an emergency situation.

Prescription Drug: In the SLHS Signature plan, prescription drug coverage is based on three co-pay tiers: generic (\$25), preferred brand (\$70), and non-preferred brand (\$110). Lower co-pays are available when you use the SLHS outpatient pharmacies.

Vision: The health plans provide one routine eye exam per member per year. The stand-alone vision plan through Vision Service Plan (VSP) offers additional lens/frame or contact lens care coverage along with specialty eye exams. An additional premium is applied for stand-alone vision coverage.
