Please bring to your appointment:

- Your insurance card(s)
- Your driver's license or photo I.D.
- Your completed new patient forms
- A list of your current medications with dosage
- All patient responsible fees will be collected at the time of visit
- Please verify that we have the correct information and fill in any blanks on your patient registration sheet.

If you are being referred to us by another Physician for an abnormality on your CHEST X-RAY or a CAT SCAN, you will need to bring a copy of that study with you on your appointment. We will need the films or discs as well as the reports.
